Hello Pilots,

Our year is ready to begin and I'm so happy we will have this time together! Our wonderful newsletter editor Tammy Purcell, has doggedly kept me on my toes in getting the needed information to continue to make the Governor's Bulletin as top notch as it has been for the last several years. Hugs to Tammy!

Very shortly, several Georgia Pilots will be traveling to Dallas, TX for a week of training, information and friend making. For those of you who will not be able to attend, we will try to bring all the news and updates in upcoming GB issues. I know the District Coordinators are looking forward to acquiring new ideas to help all of us during the coming year.

I have received almost all club officer forms and I thank you incoming presidents for this timely submission. My six Lt. Governor's have been working hard to compile not only this information but the Club Assessment forms. PI requested that we have these forms filled out and ready to hand over to the new ECR for our coming year. This information helps them see where we are and how we are doing.

Don't forget it's time to start working on the PEP report with the outgoing officers and Governor's Cup award form. Then be sure and check the Forms guideline to see what early awards need to be prepared for submission. All Georgia District forms are on-line at pilotgeorgia.org. Appoint a team from your club to help you, dear President, with these forms and submission deadlines.

I hope all of you have a safe, healthy and happy 4th of July, and try to stay cool this summer!

Yours in Pilot,
Nancy Miller, Georgia District Governor

The **Vision of Pilot** is to achieve universal awareness and prevention of Brain-related Disorders and Disabilities.

FROM OUR GOVERNOR-ELECT

Greetings from Southwest Georgia! It is a privilege to serve as Governor-Elect for the Georgia District. The upcoming year holds promises of continued growth, dedicated service and enriched friendships. Let us

remember our passion for others as we strive to improve the quality of life in our communities.

I am a member of the Pilot Club of Bainbridge. One of my favorite service projects, BrainMinders, allows me to play the role of Fiona Fox in costume. The excitement and eagerness to learn from the children is a rewarding experience. The Relay for Life event was held recently, and brings back fond memories, since this was my start in Pilot twelve years ago,

This past year as Lt. Governor for the Southwest Region has been an enjoyable and learning experience. I wish to thank the Southwest Region for all their support, encouragement, and especially for the service they provide for their communities.

My husband, Eddie, and I live in Bainbridge. Bainbridge is a small town about forty miles north of Tallahassee, FL. We have one son, Jes, and two daughters, Tabitha Brock and Jy Rogerson, and two son-in-laws, Blake Brock and Stephen Rogerson. We enjoy many visits to the beach, and take advantage of every opportunity to visit the white sands and calming effect of the tides.

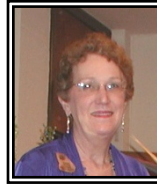

I hope you are as excited as I am about attending the PI/PIF Annual Meeting and Leadership Conference in Dallas, TX. I know we will be introduced to many exciting ways to improve and grow Pilot.

I will end with this quote from V. Shoffstall, "Plant your own garden and decorate your own soul, instead of waiting for someone to bring you flowers."

Gail Sharber, Georgia District Governor-elect

Judy Vendrick grew this sunflower from a packet of sunflower seeds that were left on the tables at Governor Nancy's installation.

CHAPLAIN'S CORNER

*"This is the day which the Lord hath made, we will rejoice and be glad in it."
Psalms 118:24*

If I could catch a rainbow
I would do it just for you
And share with you its beauty
On the days you're feeling blue.

If I could build a mountain
You could call your very own;
A place to find serenity,
A place to be alone.

If I could take your troubles
I would toss them in the sea,
But all these things, I'm finding,
Are impossible for me.

I cannot build a mountain
Or catch a rainbow fair,
But let me be what I know best,
A friend who's always there.....

Friendship and Service ---- the cornerstones of Pilot!

It is a true blessing to have been asked by Gov. Nancy to serve as chaplain for this Pilot year. What I would like to do in the monthly chaplain corner messages for the Governor's Bulletin is to "spotlight" some of the people that have been helped by your clubs as you have been out in your communities doing service. So e-mail me and tell me some of those wonderful stories about how your project may have impacted and/or touched someone's life --- in other words this is more than just "reporting" on a project -- --it is "sharing" that journey of how a life may have changed. Each one of you - and each one of your clubs - do wonderful things in your communities ---- but take a minute and see how you may have changed a life and share that story.

On another note, we will be continuing the prayer board so please e-mail me if you would like to be on that prayer board list. My e-mail address is jrakers@bellsouth.net.

Blessings always, *JoAnn Akers*

The Mission of Pilot is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.

A Note from Your PI President-elect

I would like to take this opportunity to invite you to the 2011 Pilot International Leadership Conference on July 13-16th in Dallas Texas! Wonderful and informative

workshops have been planned. You will have opportunities to hear speakers on our focus, Brain Related Disorders and Brain Health. Susan Hite, from North Carolina, will be one of the motivational speakers. She will be the featured speaker at Council of Leaders and will speak before the convention body. It is not too late for you to be a part of this great convention....and in fact, you can take every opportunity to attend! Contact Pilot International Headquarters and register for part of the Pilot International Leadership Conference to suit what works for your schedule, for example, \$25 you can attend workshops and the opening meeting on Wednesday; \$50 will allow you to attend the meetings and workshops; banquet tickets are \$60 each for Thursday and Saturday. So if you can't attend the entire session, please contact Peggy or Megan to make your arrangements today. We want you to be part of the Pilot Leadership Conference!

I know that your Governor and leadership team have already started preparation for a great year!! In Council of Leaders they will be provided tools to assist them with evaluating their clubs and how to work with them for this ensuing Pilot year. Districts will also have an opportunity to get together on Thursday for breakfast or lunch.

I know that we can't wait to see our friends! Hope to see you in the **BIG D** for a wonderful Pilot International Leadership Conference!!

In Pilot,
Beverly Wilkes, 2010-2011 PI President-Elect

GETTING TO KNOW YOUR DISTRICT SECRETARY

June Henson

As we begin this new Pilot year, it will be my pleasure to serve as your district secretary and I hope I will live up to the expectations that Gov. Nancy has placed in me.

A little bit about myself first...I was born in the tiny town of Bartow, GA and finished high school at Wadley High. In 1954, I moved to Augusta to attend business school (that's what you did in those days) and began my career in 1955 with Atlanta Gas Light Company. In 1958, I married and moved to Milledgeville and continued my employment with AGL, retiring in 1995. After that I became employed with the GA Department of Corrections and retired in November 2010 after working there for 15 years. I have two children, a girl and a boy and am now a widow. I am

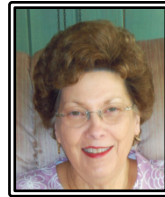

very active in my church, First Baptist of Milledgeville and at the present serve on several committees.

I became a member of the Milledgeville Pilot Club in 1974 and have been very active in my club serving in every office except treasurer, some of them several times over. I also served two years as Lt. Governor of what was then known as the Central Region. Since I have served as secretary several times, I know the importance of submitting reports correctly and on time. Be sure you work closely with your president and treasurer to be sure the reports are in agreement before mailing. If you need help with any of the required reports, do not hesitate to call and if I can't help I will find someone who can.

I am looking forward to a very good year!

GETTING TO KNOW YOUR DISTRICT TREASURER

Merlene Burgess

I am a native of Waverly, GA, and was educated in the Camden County, GA School System. After graduating high school, I graduated from Perry Business School in Brunswick, GA. It was then my career in banking began. I was selected to attend The University of Georgia/Georgia Banking School and graduated with honors. My banking career lasted for more than 46 years. I began as Secretary to the Executive Vice President and retired as Vice President, serving as Office Manager and Loan Officer. I enjoyed my banking career very much. Our company was also very involved in giving back to the community.

During this time, I met and married the love of my life, Carlton D. (Mac) Burgess, Jr. We have been married for 46 years and are now both retired. We like to travel and have been able to visit several wonderful places since our retirement.

In 1990, I was invited to a Share Pilot Meeting by two of my friends. These two ladies had been members of the Pilot club of Brunswick for many years. The keynote speaker at the meeting was Nancy Henrick. Nancy gave an inspiring talk on the beginning of the Pilot Club and community projects sponsored and supported by the local club. Another highlight of the meeting was a presentation of funds to representative of the community for projects chosen that year. I was impressed that Pilot Club was a way to serve the community in a broader sense than I could do as an individual. At the next meeting, my sister, Ruby Dukes and I became members. Now 21 years later we are both still active members.

In those 21 years, I have served as President Elect, President, Treasurer (several terms), Director, and divisions chair person. Pilot has been an enjoyable and rewarding experience for me. As a club, we have had many opportunities to make our community a better place. Friendships have been developed that I will never forget.

The Mission of Pilot is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.

To serve as District treasurer will be another opportunity to grow in Pilot love and friendship. I look forward to getting to know and work with many more of you as I endeavor to perform this duty.

SEASON'S OF LEADERSHIP

Esther Foster, Leadership Coordinator

I have enjoyed the 21 years I have been a Pilot. It has afforded me opportunity of participating in community service and personal growth and I have made many friends on the District and International level. Once you meet a Pilot, there is always that bond of friendship. I look forward to serving as Leadership Coordinator this next year. The article listed below can be applied to our organization on the local, district or international level. Regardless of our job, we must remember we are a team working together for the good of all involved.

A good leader understands that good communication is very important. If there is one thing that can kill an organization, it's poor communication.

Communication is really a relational issue built around trust. Do we trust our team? Do we want them to trust us? Do we trust others within our organization? Are we making them a priority by sharing and including them in our plans or are we simply "blazing our own trail" and not considering their feelings or how they may interpret being left out.

Regardless of any excuses we make for the reasons we might not communicate as well as we should, now is the time to change that. Every day gives us a new opportunity to be inclusive instead of divisive. When we communicate, we inform and when we inform we make people feel important by showing them we care enough to bring them into the loop. Good communication is a must if the vision of the organization is to truly come alive.

FROM YOUR MEMBERSHIP CHAIR

Cindy Tatum

I have been a member of the Pilot Club of Toccoa for 25 years. During this time I have served my club in all offices. I served the district as Northeast Region Lt.

Governor for two years, as Governor Elect and as the 1999-2000 Georgia District Governor. I also served the district as Anchor Coordinator and have been serving as Membership Division Co-Chair for several years.

I cannot begin to say how much my experiences in Pilot have meant to me. The friends I have made all over Pilot International are most valuable to me. As I have told the members of my local club on many occasions, Pilots are with you always—through the good and the bad, and they never let you down. The projects we have done have

really made a difference in our community just as your clubs have been responsible for many wonderful things in your communities. PILOT JUST CAN'T BE BEAT!!!

As the new club year begins, I want to encourage each club to set a goal for membership and work diligently to meet that goal or surpass it. We are not just concerned about numbers, although they are important, but just think about the lives that will be touched by each new Pilot that your club or my club brings into the Pilot family. Please make membership a priority in 2011-2012.

"TIS THE SEASON" TO PROJECT

Angela Gillis, Projects Coordinator

I am looking forward to serving as your 2011-2012 Projects Coordinator. I had the privilege of meeting several of you at the Projects Workshop "Tis the Season" at the

District Convention. In the workshop we were able to share project ideas and best practices which I will share in upcoming bulletins.

I encourage all club members to get involved with your clubs projects as designated in the Projects Plans of Work. Getting involved will give you a deep self satisfaction of knowing you are helping others in your community and exemplifying the Pilot motto, "True Course Ever". With Governor Nancy's theme **Seasons of Service** ...Be Inspired, we have the opportunity to support her theme by doing service projects in every Season: Spring, Summer, Fall & Winter. So Pilots, let's start the SUMMER off by getting involved with your club's first project of the 2011-2012 club year!

Like Marilyn Ross, the speaker at our Convention says "Be a STAR...Dream big, have a positive attitude, shine radiantly and have enthusiasm. We all can have successful projects.

I am looking forward to hearing about all the wonderful club projects!

Please share your club projects with me so that I can share them with our Pilot members. My contact information is peachaff@bellsouth.net or 404 691-0093.

MEET YOUR FUNDRAISING CHAIR

Norma McKellar

What a pleasure it's going to be to work with a fellow "buckeye" this year! You see Governor Nancy and I are both from Ohio. I was born and raised in Cincinnati but I've lived in Moultrie, Georgia for 35 years. My husband and I have been married for 32 years. Our 29 year old daughter, Sara, is a preschool teacher in Statesboro. Our 28 year old son, Reed, is a supervisor at a center for the handicapped in Moultrie. I have one grand-dog. As of June 30th I will be partially retired from my 35 year position as

The Mission of Pilot is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.

children's librarian for the Moultrie-Colquitt County Library. Finally I will have time to read!

Being your fundraising chairman this year is going to be a true learning experience. Right now I'm researching and reading books about succeeding and avoiding failure at fundraising. I've already spent time exploring the internet for new, fun and unusual suggestions. But I'm pretty sure the best treasure trove of ideas is right there in your club.

So for our 2011-2012 Pilot year I'll be sharing suggestions I've found, but just as importantly, I want to share your success stories. Please send all your great programs, events and ideas to me at normamckellar@gmail.com.

GA DISTRICT ANCHOR CLUBS

Mary Turner, Anchor Coordinator

I am glad to be serving as the Anchor Coordinator. As a member of the Pilot Club of Elberton for the past nine years I have had the privilege of serving as Director,

Vice-President, President-Elect, President and Anchor Coordinator of my club. I have one daughter, Gerianna who is in college. She is a Provisional member. Gerianna enjoyed her years as an Anchor, and she is the reason I became involved with Anchors. I have a Bachelor of Science degree in Family and Consumer Science, a master's degree in Early Childhood Education, and a specialist's degree in Curriculum and Instruction. For the past 17 years I have taught Pre-k at Blackwell Elementary in Elberton. In addition to being involved with Pilot I am very involved in my church. I am looking forward to a fun filled year with Anchor. Anchors are our future Pilot's

GEORGIA PILOT FOUNDATION

Sherry McDuffie, GPF Representative

As we begin our new Pilot year with Seasons of Service, Be Inspired, we need to reflect on the purpose of the Georgia Pilot Foundation which was incorporated in 1993. Specifically, we said that we would provide scholarships to Anchors entering college. However, the purpose is general and allows a broad range of charitable activities to be conducted, such as Paws for Patriots, Mind Jogging, and a donation to Gracewood State School. We had our first "Dream Wheels" fundraiser in 1996 and another the following year. We had four years of "Foundation Fantasy" drawings, an auction at Fall Council 2006, and drawings every year since.

We started out giving four \$1,000 scholarships in 1995. In 2003 we increased them to \$1,500 each and in 2007 we began giving six \$1,500 scholarships. Our goal is to increase the number and we were hoping for eight by now. We need many donations to do this. Please put in your budget this year to send the foundation whatever you can

spare. We will do a GPF/PIF drawing this year and you will receive information at PI convention in Dallas. Robin and I will not be there, so Jo Farish will let you know about it. We will hand out the tickets at Fall Council in Macon October 8, 2011.

Also, all donations are to be sent to Robin Perry this year. Her information is below.

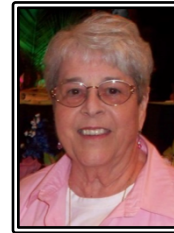

This is my ninth and last year of being the GPF representative, so I would like for this to be the biggest and best year yet. Please help us raise the most money ever in the history of the Georgia Pilot Foundation.

Again, thanks for your continued support of our fundraisers and the Georgia Pilot Foundation.

PILOT INTERNATIONAL FOUNDATION

Jo Farish, PIF Representative

Serving as the District PIF Rep this year will be especially fulfilling and along with my co-chair, Pat Garner, we hope to bring some exciting and new features to hi-lite the Foundation.

In July 1981, my good friend, Clara Shirey, finally talked me into joining the Pilot Club of Carrollton. I had just started my Century 21 Farish Realty company and thought it would help me to further my business. I planned on quitting after my business got going, but as many of you know, you do not quit and leave family and friends! Pilot not only helped me promote my business, but also got me some of the best friends I have ever known and want to keep.

Governor Nancy wanted a short bio and here it is: I was born in Corning, New York, joined the Air Force and was a Control Tower Operator (Air Traffic Controller), met and married Bob Farish on June 23, 1950, had 5 children, Mike, Steve, Rick, Bekki and Vikki, serving in Hawaii, the Philippines, Germany and many of the states, started my company in Carrollton, Georgia in July 1979 and have 11 grandchildren and 6 great-grandchildren. Oh, yeah, I also served as your Governor in 2008-2009. I look forward to a wonderful year - let's grow together!

The Mission of Pilot is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.

Meet Your Region Lt. Governors

From your East Central Region Lt. Governor... I have been a member of Pilot for about 19 years and love everything Pilot

means and stand for! I joined Pilot while I lived and worked in Warner Robins. I had grown up reading about Pilot activities and work they did almost every month in my hometown of Carrollton, GA. I remember wishing I could be a part of that organization even back then. Two of my co-workers in Warner Robins were also members of Pilot and invited me to join. I was so excited to finally be a part of this organization and when I moved from Warner Robins I transferred my membership. I have served in most every office on the Club level except treasurer and have served on a number of committees within the Georgia District and have had the privilege and great opportunity to serve as Lt. Governor of the "former" Central Region for 2 years, Governor-Elect for one year and Governor during the 2000-2001 Pilot year.

I have 2 children, 6 grandchildren and am expecting my first great-grandchild in January! I enjoy meeting lots and lots of new people, traveling, crocheting, reading and ANYTHING Pilot!

I am excited to be serving the clubs in the East Central Region as Lt. Governor for the upcoming Pilot year and hope we will all learn something new from each other and can grow and serve all our communities with a strong commitment to Pilot. Please feel free to call or e-mail me with any observations, concerns, happenings or whatever about your Pilot club. I look forward to hearing from you all! My telephone number is 478-363-7225 and my e-mail address is jacque_kristoff@yahoo.com. I wish

all the clubs in the Georgia District growth, prosperity and a great and very successful Pilot year!

Jacquie Kristoff

From your Northeast Region Lt. Governor... As a member of the Madison County Pilot Club since 2000, I have found the most

wonderful group of friends who have a strong commitment to Pilot. I am looking forward to making more Pilot friends as well as having opportunities to learn, grow and serve together.

Bill and I celebrated our 52nd anniversary in June and have two children, Rachel and Adam. Rachel lives in Athens and is also a member of the Madison County Pilot Club. Adam lives in North Carolina but is currently working in California.

Bill and I have always lived in the Athens area and love to travel, especially in our RV. I also enjoy entertaining, flower gardening and pleasure reading, when I have time. After retiring from the University of Georgia as a Conference Planner/Coordinator, I assumed more responsibilities with our families' Real Estate and Insurance firm. Our family is active in First Baptist Church of Athens.

I am very excited to be working with the Northeast Region Pilots and know we will make our clubs stronger through friendship and service.

Joyce Fleeman

From your South West Region Lt. Governor... Thank you for the privilege to be your new SW Region Lt. Governor. I have been married

to Eddie Berry for 16 years. I have two stepsons, Michael and Shaun, ages 29 and 26 along with our 15 year old son, Preston and 8 year old twins Kallie and Troy. My two older sisters retired from teaching, however, I am still going strong with 29 years, four of those in Special Education and twenty-five years in Kindergarten. Besides Pilot, I am a member of the Delta Kappa Gamma Society, the Georgia Association of Educators and First Baptist Church Moultrie. I am a Harry Potter fan, love to have fun and enjoy sports, especially baseball. A sign in my house reads "We interrupt this family for ball season." So, not only do I look forward to seeing you at meetings, but I'll see you on the fields.

Kathy Berry

From your West Central Region Lt. Governor... Hi Pilots -- I am pleased and consider it a privilege to serve the Georgia District Pilot

International as its West Central Region Lt Governor this Pilot Year. It was in April 1998 that I joined the Pilot Club of Warner Robins and have not stopped since. We have so many projects and a couple of fundraisers each year, you can just imagine the opportunities to excel that go along with such a busy schedule. I've served my club as President, President Elect, Vice President, and Treasurer, and have been appointed Fund Raising Chair, Projects Chair, and Club Operations (now Membership Div.) co-chair. In 2007, I began what was to be a 2-

The Mission of Pilot is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.

term stent as the GA District Treasurer and then in 2009 and in 2010 I was appointed the GA District PIF Representative. When I joined Pilot, I was winding down a civil service career that took me from Ft Benning, GA to Memphis, TN, to Richmond, VA, and finally to Robins AF Base. I retired in 2004 as the Resources Manager for the Defense Information Systems Agency (DISA). Since retiring, I worked almost four years as a contractor: two years back at DISA, then two years directly for the contractor. Now I devote most of my time to Pilot and church activities. Again, I'm looking forward to working with the clubs in West Central Region and the GA District DAC/DEC.

Brenda Walker

From your Northwest Region Lt. Governor... I am a member of the Pilot Club of Sweetwater, which

meets in Douglasville, GA., and former member of Pilot Club of Douglas County, I have been a Pilot for almost nine years. I have

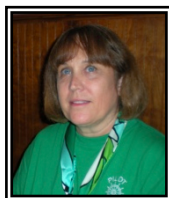

enjoyed many leadership roles in my clubs over the years.

I have retired twice, first with over 35 yrs. with BellSouth in personnel work and environmental compliance. Next retirement was with almost ten years in resource development at United Way. Currently I do mediation, consult, and work with Senior citizens.

My wonderful Co-Pilot is Charles and we have three beautiful daughters and three beautiful granddaughters. We enjoy spending time with family, walking, community activities and travel.

I am looking forward to serving as your Lt. Gov. and making many new friends this Pilot year.

Patricia Whatley

From your Southeast Region Lt. Governor... I

grew up on a farm in Arkansas where my father and mother still live. I

graduated from the University of Arkansas and spent 15 years as an elementary school teacher in Missouri and Kansas before moving

to Georgia. I am now an assistant professor at Georgia Southern University. I married my husband, Mike, in 1973. Mike is currently a professor at the University of Virginia. We have three children, Katy, age 24, Patrick, age 23, and Jimmy age 21. We are members of White Bluff Presbyterian Church where I have been Sunday School Superintendent, a Sunday School teacher, a Deacon, and am currently an Elder. Mike and I enjoy traveling. We have been to 36 different countries. Besides traveling, I enjoy reading, cross stitching, scrapbooking, babysitting my five year old grandson, and being a Pilot. I am a charter member of the Pilot Club of Chatham County and I am very excited to be the Lt. Governor of the Southeast Region of Georgia for 2010-2011.

Beverly McKenna

DATES TO REMEMBER

Pilot International and Georgia District

Dues – due July 1, 2011

Scrapbook Reminder

Just a friendly reminder...

It's not too early to start sending in photographs to Joan McCannon for GOVERNOR NANCY MILLER'S scrapbook. Please do not delay!! Joan would like to be able to make a selection from photos not only from the end-of-year special events but from all events throughout the year. The process is much easier if the photographs are not held and sent in all at one time.

Photographs and other items may be sent to:
 Joan McCannon

GPF / PIF

“Seasons of Inspired Giving”

The Georgia District will be holding a joint fundraiser for the Georgia Pilot Foundation and Pilot International Foundation. Over \$9,700 was raised with last year's Angel Baskets with \$4,852 going to GPF and \$4,852 to PIF.

The funds donated by the Georgia District to the Pilot International Foundation allow all our local clubs to help with needs in our communities through PIF Grants and Scholarships as well as helping to insure that the Georgia District is a \$250 District with Pilot International.

The Georgia Pilot Foundation uses the proceeds to help fund scholarships to deserving Anchors. Along with the \$100 donations made by clubs and individual Pilots, we were able to award \$9,000 in scholarships last year. With the current increase in the cost of tuition for our college students, our district scholarships are needed more than ever by our future leaders.

To encourage greater participation by the Clubs we have made changes to this year's fundraiser. We **are not** asking clubs to donate cards or cash for the prizes. \$3,000 in prizes will be awarded from the fundraising proceeds. We will be drawing for nine baskets or bags to help you celebrate the “Seasons of Service”. There will be 8 seasonal bags with \$250 in cash and one bag to celebrate all the seasons with \$1,000 in cash.

We are asking all clubs to please use the \$50 previously used for purchasing gift cards to instead purchase additional tickets for the fundraiser in your clubs' name. This could be a great opportunity for your club to win cash to use for one of your community projects.

Each Pilot Club will be given 60 tickets. Tickets will sell for \$10 each or 4 for \$20 which is a half price savings. Tickets will be distributed to the Club Presidents at Fall Council held in Macon on Saturday, October 8, 2011. Drawing will be held at Georgia District Convention on Saturday, April 14, 2012 at the Atlanta Gwinnett Marriott in Duluth.

The Mission of Pilot is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.

Georgia Pilot Foundation, Inc.

CONTRIBUTION FORM

The Georgia Pilot Foundation, Inc. is a non-profit, charitable foundation, which currently provides post secondary education scholarships to Georgia District Anchor Club members, as well as to benefit people with disabilities and brain related disorders.

Pilot Club _____

The Mission of Pilot is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.

The Georgia District Governor's Bulletin is published monthly.
Layout Editor is Tammy Purcell.
Articles are due on the 10th of the month preceding the publication date.
Please e-mail articles to Nancy Miller at nancymiller76@hotmail.com.
Every effort will be made to publish news by clubs.
Articles may be edited to fit space.

Club Presidents: Please pass on a copy of the Governor's Bulletin to EACH member of your club. If lack of money for photocopying is a problem, bring a few copies of the Governor's Bulletin to your meeting and pass them around for everyone to read. Have each member initial it when he/she has read it.
