*"Seasons of Service - Be Inspired"*

Hello Pilots,

Wow, what a great time we had at Fall Council. It was so good to see you all and I hope you had a good time. There were a few glitches, which always occur, and you can't control everything. But all in all it was a fun day. We did not have as many in attendance this year and we understand some clubs already had planned events and could not attend. That's the way it goes and we hope they will be with us at District convention.

I need to thank so many East Central Pilots who contributed to our great day. First, to Robin Perry and the Dublin club who made Registration run smoothly. Then the goody bags from Emanuel County, Johnson County and Greene Co. I love my squishy balloon! We owe a big thank you to Oconee County who outdid themselves with our table decorations! The mums, stylish bows in black and white and yellow and white and the most delightful bumble bees mounted in each plant made the tables so festive.

I hope those who had Marketplace tables did well, I saw many Pilots shopping during the day. Thanks also to Sherry McDuffie and Robin Perry for creating the UGA and GT gift totes that they created and raffled off. They also distributed our GPF/PIF raffle tickets to clubs in attendance. Please try your best to sell as many as possible as this money goes toward Anchor scholarships and PIF.

We also need to give thanks and hugs to Kirsten Jorgenson who again created our Georgia District Directory. These too were passed out as folks registered and I know she is glad to have it behind her now! Thanks Kirsten for a job well done.

I was the guest speaker at the Classic City Athens Pilot club in celebration of Founder's Day. We had a great time together and clubs from Madison County, Jefferson and Winder were also in attendance. It was so nice to get to visit with these clubs. I hope your club had a similar celebration of our 90 years of Service and Friendship within your community. Besides reviewing the history of Pilot, I also shared two PowerPoint overviews of the new Pilot website that hopefully will be up and running very soon. Also a sneak peak and invitation to the 2012 Pilot International convention to be held at Bally's Hotel in Las Vegas, July 19-22, 2012.

If you have read the Prayer Board that JoAnn Akers maintains you know that our dear Past Governor, Lynda Goodwin has suffered a stroke, she is now in a rehab facility and is working very hard to regain the use of her speech and right side of her body. She hopes to get to come home in November, but will have to wait and see about her progress. Please keep her in prayer and her family too as they continue to support her.

In closing, I want to wish all of you a blessed and Happy Thanksgiving. We have so much to be thankful for including our families and friends. I know that all of the clubs have been working hard with service projects, BrainPower Walks and fund raisers, so take a few moments to thank your members for all that they have been doing so far this year. May God's love and grace be with all of you throughout the coming year.

Yours in Pilot,

*Nancy Miller*, Georgia District Governor

Please remember to visit the Georgia District website at [www.pilotgeorgia.org](http://www.pilotgeorgia.org).

## **FROM OUR GOVERNOR-ELECT**

Happy Thanksgiving! As I have read your Newsletters, Georgia District has so many things to be thankful for. The clubs are working diligently to improve their communities and make a difference. Your

passion for others is truly what "Pilot" is all about. Your Newsletters have helped me feel connected with the clubs. Thank you for your effort in keeping the clubs and the DAC/DEC informed. It is time to start preparing for entering those great newsletters for the Georgia District Newsletter Award. All entries must be postmarked on or before January 8, 2012. Send one copy of three (3) consecutive newsletters, dated July 2011 to January 2012, with the Entry Form to the club's 2011-2012 Region Lt. Governor.

I am anticipating many entries. Thanks to Kate and Norma for leading the workshop at Fall Council on the Georgia District Awards.

On a personal note, Eddie and I wish to thank you for the many cards and phone calls during the loss of Eddie's mother. Your thoughtfulness and friendship is greatly appreciated.

*Gail Sharber*, Georgia District Governor-elect

## **CHAPLAIN'S CORNER**

At Fall Council so many of you asked for the "pencil" parable so here it is:

A Pencil Maker told the pencil 5 important lessons just before putting it in the box:

1. Everything you do will always leave a mark.
2. You can always correct the mistakes you make.
3. What is important is what is inside of you.
4. In life, you will undergo painful sharpenings, which will only make you better.
5. To be the best pencil, you must allow yourself to be held and guided by the hand that holds you.

We all need to be constantly sharpened. This parable may encourage you to know that you are a special person, with unique God-given talents and abilities. Only you can fulfill the purpose which you were born to accomplish. Never allow yourself to get discouraged and think that your life is insignificant and cannot be changed and, like the pencil, always remember the most important part of who you are, is what's inside of you and then allow yourself to be guided by the hand of your God.

If you would like to be included on the GA District prayer board, please send me your name and e-mail address. My address is [jrakers@bellsouth.net](mailto:jrakers@bellsouth.net).

Blessings always, *JoAnn Akers*

**The Mission of Pilot** is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.

## **GREETINGS FROM THE GEORGIA DISTRICT ECR**

Greetings Fellow Georgia Pilots!

I recently received a report from Governor Nancy indicating that the Fall Council was a great success! I loved looking at the photographs many of you shared on Facebook. As you know, it takes all of us working together, taking advantage of training and sharing information with each other so we can continue in building a strong organization. Pilot has been built on *Friendship and Service*, and I know you value those times when you are able to join together for any type of function with your Pilot friends.

The new Pilot International website, (<http://www.pilotinternational.org>), should be live shortly. After the Leadership Conference in Dallas, the Website Task Force took all of the information, comments, suggestions, and hopefully we will be able to incorporate some of those to the website. Stay tuned in that the revamped website with current information and will be much easier to navigate. We are proud of the work that the Website Task Force did to bring this major project to completion.

Just to let you know you can now shop on line for novelty and jewelry items from Doc Morgan. Purchasing is simple, and many attractive Pilot items are available. Clothing items with the Pilot secondary mark are also available through Sam and Martha Scroggins, *Sewin Sam's Outdoor Wear*. We can show our Pilot pride by wearing clothing with the Pilot logo, including the secondary mark. All of these items are just a "click" away.

Have you registered and made hotel reservations to attend the 2012 Pilot International Annual Convention and Leadership Conference, July 18 – 21, at Bally's in Las Vegas, Nevada. Conference planning is nearly complete. We have made some changes that we think will give you more time for tours and attending shows in the evening. There will be opportunities to support the Foundation through the booking of certain shows. More details in that regard will follow soon. President Beverly will be having a President's Luncheon rather than a President's Banquet, which will free-up an evening for tours and attending shows. Begin making plans now to reconnect with your Pilot friends in Vegas!

Karl Reiland said, "In about the same degree as you are helpful, you will be happy." As Pilots we should be happy as we work with our Pilot friends to fulfill our mission of helping communities throughout the world.

In Pilot Friendship,

*Sherry Johnson*, ECR Georgia District

## **PARLIAMENTARY PROCEDURE**

Pat Jarvis, Parliamentarian

Often when we hear the words "Parliamentary Procedure" we may feel unsure of ourselves and how to proceed.

Therefore, in this initial article concerning Parliamentary Procedure, let's discuss the importance of using correct parliamentary procedure in our meetings.

Parliamentary procedure is, simply put, rules which enable an organization to do the things it was organized to do. Just as "rules of the road" when followed, keep us safer on the highway, parliamentary rules keep us on track during a meeting. Using parliamentary rules means decisions are made and business is conducted efficiently, effectively and without confusion—so that no one gets their feelings hurt. It keeps order and ensures that the will of the majority is carried out while the rights of the minority are protected.

Protocol, however, is the accepted etiquette for the meeting. Examples of protocol are standing when the highest ranking Pilot officer is introduced, arriving at meetings on time, not talking during the meeting, etc.

Officers of the organization, as well as each member, should have basic knowledge of parliamentary rules, Bylaws and/or Standing Rules of the organization. This knowledge will assist each one in understanding and safeguarding their interest during the meeting. It will also give confidence and poise to those presiding and enables them to perform their duties. However parliamentary rules, as all other rules, must be applied with common sense.

Each club president should have appointed a Parliamentarian for their club meetings. If the club Parliamentarian is not a member of the Executive Board, the President should appoint a member of the Board to serve in this capacity for the Board.

## **FUNDRAISING IDEAS**

Norma McKellar

Has your fundraising gone to the dogs? Well that could be a good thing! With the right combination of dogs, location and people your club could actually have a

howling good time and a successful fundraiser. Dogs have warmed their way into our hearts and family, so events revolving around these wonderful animals could bring in quite a lot of money. Harry Truman even knew the value of man's best friend in our society when he said, "Children and dogs are as necessary to the welfare of the country as Wall Street and the railroads."

When organizing a dog fair think of a catchy name such as PAWS IN THE PARK or THE BARK IN THE PARK or how about BARKTOBER FEST or THE CANINE CARNIVAL?

Decide on the location and check with your city about the rules and regulations. Make sure your rules are clear such as "All dogs must be on a leash" and "Any unruly or vicious dogs will be asked to leave." Right up front you must deal with the need for water and cleaning up doggy doo. Also consider your fees. Some folks have no fees for walking around but charge for various activities. The activities can include parades, beauty and costume contest, the biggest, and smallest and best trick contests. And don't forget the owner and dog look-a-like contest. You can charge for dog photos and dog washes.

Be sure to have vendors on hand to sell dog items as well as people items. Invite local vets and dog groomers. Bring in people who train dogs and have them do demonstrations. Invite folks in your community who use seeing-eye dogs and service dogs. Include your local police who have canine programs. Make sure any dog clubs are invited. Have your children's librarian from the public library come and read the popular dog books. If available, have a tent set up for reading therapy dogs. And of course invite your local animal shelter to be involved. The day could end with the showing of the newest popular dog movie.

With our organization's focus on brain health, be sure to play up the research that supports the therapeutic indications of owning a dog. The website "webmd.com" agrees with psychologists, veterinarians and researchers that dogs (as well as other pets) can be good for our mental and physical health. A dog can't cure depression or replace medication or talk therapy. But a dog can help mild to moderate depression in many people and may even help with sleep problems and overall health.

What a great combination- Pilots, people and dogs. Pilots love helping the people in their communities and people love their dogs so this type fundraiser could surely result in positive attitudes and positive additions to our budgets. So if your fundraising has stalled and left your club "dog-tired", just remember "every dog has its day" and this type of day could be yours!

## **FROM YOUR MEMBERSHIP**

### **CO-CHAIR**

Pat Jarvis

In September the Membership Analysis was discussed as to how it can be used within our clubs as well as the questions to ask as we develop prospective membership lists. October was Founders' Day month, and many of you sponsored Share Pilot meetings to "showcase" Pilot to prospective members. Please let us share in the success of your club by emailing Cindy and/or me with your success stories. It is inspirational to all when clubs enjoy successes and share with us.

It is now November, what about membership? Many times once our Share Pilot meetings are over, and hopefully new

**The Mission of Pilot is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.**

members are welcomed, we forget about that part of Pilot until next year. So, let's think about SHARE PILOT. Is it just once and then done? Is it an ongoing process? Take an inventory of when a new member has come into your club—has it been throughout the year or just as a result of a "membership drive", such as Share Pilot. One suggestion to keep the process alive throughout the year is to include membership in each of the Division plans of work. Each month one Division can be responsible for inviting prospective members. Division members would invite the prospective members, pick them up for the meeting, if necessary, and sit with the visitor, explaining the proceedings as needed. Membership is a priority for our clubs, district and Pilot International, but it also needs to be a priority for each individual member. Sharing our friendship and inviting others to become a part of service to others is the greatest gift we can give.

You can email Cindy at [tatumcindy@ymail.com](mailto:tatumcindy@ymail.com) or me at [pgjarvis@bellsouth.net](mailto:pgjarvis@bellsouth.net). We would like to include your suggestions for success in membership—club membership and/or organizing a new Pilot or Anchor Club.

### **GA DISTRICT ANCHOR CLUBS**

Mary Turner, Anchor Coordinator Anchors

The first issue of "Anchors Aweigh" was sent out in September. A copy was e-mailed to the advisor/sponsor at each school. A copy was sent out to Pilot Clubs as well.

Please let me know if any other Pilot Clubs need to be on the e-mail list or if you would like to receive a hard copy mailed. The next issue will go out in November and will contain all the information about District Anchor Convention as well as forms for nominations for district office and awards available to Anchor Clubs. Thanks to Kirsten Jorgenson for the layout of "Anchors Aweigh" as well as maintaining our e-mail roster.

Thanks to those clubs that e-mailed me the name of the Anchor school sponsors. Hopefully, the correct person is getting the Anchor information at each school. It's not too late to get that information to me if you have not done so.

I hope you visited the Anchor table at Fall Council. There was a new marketing power point for Anchors running on the computer. If you would like a copy to use with your Anchor Club or if you have a school where you would like to start a new Anchor Club please let me know and I will get you a copy of the power point.

Please remind your Anchor Club that they should send a listing of their Anchor Club Officers to Pilot International. A copy should be sent to me also. Don't forget that PI Dues of \$10 per Anchor and GA District dues of \$8 per Anchor are due November 1. Payment after that date puts the club in jeopardy of having the PI Charter pulled. I am in the process of having the updated Anchor forms placed on the Georgia District website.

**The Mission of Pilot** is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.

What are you doing with your Anchors? Do you invite them to your Pilot Club meetings? Do you attend their meetings? Do you have join projects? It is great to do BrainMinders together. Please let me know if there is anything that I can help you with.

Don't forget to send me your Anchor/Pilot success stories. Send your favorites to [turnerma@elberton.net](mailto:turnerma@elberton.net) and I will share them in the Governor's Bulletin.

### **DISTRICT NOMINATING COMMITTEE**

Helen Winstead, Chair

As the Fall leaves begin to color our trees and our yards, it is time to begin to think about the colorful nominees for our

Georgia District offices for 2012-2013! With Thanksgiving and Christmas nearing, we must not forget to think about our wonderful District, the largest one within Pilot International. Our heritage is demonstrated through our Pilot leadership within our District and within Pilot International. It is now time to look around our current sixty-one (61) clubs and seek out the best leaders to NOMINATE who will move us forward during this 21<sup>st</sup> century. Every year, we look for Pilots who will serve us as Governor-Elect, 6 Lt. Governors and Treasurer. As a nominee, you will be giving of yourself to the Georgia District and what a gratifying experience it is.....'make new friends and keep the old....those are silver and these are gold'. I remember learning this poem in the 5<sup>th</sup> grade but I do not remember all of it nor the poet's name but this phrase has stayed with me over the years. As a Georgia District leader, it will be a privilege to serve and you will be blessed. Information about the nomination process may be found in our Club Manual under Section II where it explains about the Qualifications for Nominees for District Officers and Procedure for Nominating District Officers. The deadline for nominations to reach the Nominating Chair, Helen Winstead, PO Box 1242, Statesboro, GA 30459-1242 is January 31, 2012. Happy Piloting!

### **NEED A PROJECT FOR THE HOLIDAY SEASON?**

Angela Gillis, Projects Coordinator

#### **Holiday Mail for Heroes Program**

Here's a great program for Pilot Clubs that will be a heartwarming, nearly-effortless endeavor! It comes by way of Pilot Eileen Swanberg, Pilot Club of Greater Long Island, NY, who served as the 2010-2011 NE-POT District Chaplain. Eileen works as an American Red Cross employee in Long Island, and one of her tasks there involves "Services to the Armed Forces." Last year, five Pilot Clubs in Eileen's District participated by bringing cards in bulk to their District Workshop. We think it might be a great project for other Districts and Clubs, too, as the project's reach is wide.

## How to Participate

Your Pilot Club can send up to 50 holiday cards or greeting cards of any kind, without envelopes, in a large manila envelope. Or if you, as an individual Pilot want to participate, you can send up to 15 cards. All cards received will be sorted and sent to individual chapters of the American Red Cross for distribution to armed services veterans, families of service members, and service members themselves. Be sure to follow the guidelines below!

## Guidelines for Cards

- Every card will be screened for hazardous material and reviewed by ARC volunteers
- Sign all cards; you may want to include **Thank you!** or similar above your signature
- Cards should be flat without heavy embellishments or glitter that rubs off easily
- Address generically to **Dear Friend**; cards addressed to individuals cannot be delivered
- Cards only, no letters
- Holiday cards, hand-made cards, or any kind of *non-sectarian* greeting card is fine
- Add no return addresses or emails
- No inclusions are allowed in the cards (i.e. letters, notes, photos, etc.). Any of these included extras will be removed and discarded before distribution
- Limit cards to no more than 25 sent from individuals, or 50 for a group. Enclose cards as a *bundle* and mail in one large envelope; *include no individual envelopes for cards*

### Mail holiday card bundles from now to Friday,

**December 9 to:**

**Holiday Mail for Heroes, P.O. Box 5456, Capitol Heights, MD 20791-5456**

### *Be Inspired*

*to do something nice for someone during the Holiday Season*

### AWARDS TIME AGAIN...

Kate Caswell, Awards Jury Chair

I hope many of you were able to attend the awards workshop at Fall Council in Macon. Lots of information was given, some very good questions asked and answered, and suggestions for improvements in the awards paperwork for the years to come.

As for the upcoming 2011-2012 awards, many deadlines are rapidly approaching. The Newsletter Award must be postmarked by **January 8, 2012** and must be sent to your **Region Lt. Governor**.

The remainder of the awards (Nancy Henrick Friendship and Service, Edwina Gill Growth, Ann Adams Attendance, Elizabeth Greene Umhau Safety, and Vivian Hartman Memorial Awards) for Spring Convention must be postmarked by **February 24, 2012** and mailed to me at 506 Bavarian Drive, Palmetto, Georgia, 30268. Please read carefully on the top of each award; other copies may need to be sent to the Governor, Governor-Elect and Lt. Governor for your region. The postmark date is your deadline, but you are welcome to send the paperwork anytime beforehand.

All of the award paperwork is available on [www.pilotgeorgia.org](http://www.pilotgeorgia.org) to be printed out. Please note, nothing can be submitted by email! Everything must be postmarked via "snail mail", i.e. U.S. Post Office, UPS, Fed Ex, etc.

Good luck to all of the Clubs and I look forward to seeing your Award paperwork in my mailbox soon!

### GIVING, SHARING AND PARTNERING

Patricia Whatley, Lt Governor NW 2011-2012

This is the time of year when we all want to "give a little". Why not use this feeling to help your Pilot Club as well as those who need help. There are so many people in need of food (even food stamps run out before the month runs out.) I know of two clubs who have partnered for Project CARE. They are collecting food for the students at the local college. The partnership includes the college, the two Pilot Clubs, several local grocery stores and drop off points at local businesses. The goal is 2000 cans. This drive will benefit so many people.

The local news is interested in knowing more about this project. They have planned to visit the school for photos of the Pilots working on this project and of course keeping a "can count". It is always a good idea to have photos of Pilots helping the people in the community. Reaching out to young people in the community will also give the clubs contacts who could be prospective members, if not now, later.

Pilots are always helping people and we need to let our friends and neighbors know "who we are and what we do." Others will want to help when they know what we do. We are leaders in our community and we have an obligation to lead others to projects that help the community. As Pilots we can do so much more if we have more members. Partner with someone during this season of giving and invite others to join in your projects. "Our greatest membership tool is who we are and what we do." If we lead and invite others, they will come. Have a wonderful season of giving and service with your friends and family.

**The Mission of Pilot is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.**

## LEADERSHIP

Esther Foster, Leadership Coordinator

The following article was submitted by Sherri Lynn Dunik and can be found on Sherri's and PI's Facebook page. Please take the time to listen to her podcast message. It is very interesting.

### Anniversaries

I was reading the [News Feature](#) about Pilot International's anniversary the other day. The anniversary of our organization is a very exciting time. 90 years ago women just won the right to vote and yet Elizabeth Leonard had the vision to establish a service organization for women leaders in the community.

Elizabeth Leonard certainly did not sit by and allow life to pass her. She was ambitious, knew what she wanted, and achieved success.

Now we celebrate the anniversary of those achievements.

We all have anniversaries in life. Anniversaries are merely a celebration of an achievement. Achievements are successfully completing a goal, yet many people never set goals. Without goals they simply are living in their comfort zone watching the opportunities of life pass them by.

Do you need liberated from the cluttered thinking that cripples you, shackled by hopelessness, bound by ineptitude, and desire great difference, as you stand and watch the opportunity of life go by wondering why you never jumped in?

Do you desire to achieve success?

Do you long for the skill to lead and not follow? This [podcast](#) will enlighten you. Take your life to the highest of your capabilities. Listen as I share with you a process, a process that will help you achieve success and allow you to celebrate many, many anniversaries in your life. # GPF / PIF

## *“Seasons of Inspired Giving”*

The Georgia District will be holding a joint fundraiser for the Georgia Pilot Foundation and Pilot International Foundation. Over \$9,700 was raised with last year's Angel Baskets with \$4,852 going to GPF and \$4,852 to PIF.

The funds donated by the Georgia District to the Pilot International Foundation allow all our local clubs to help with needs in our communities through PIF Grants and Scholarships as well as helping to insure that the Georgia District is a \$250 District with Pilot International.

The Georgia Pilot Foundation uses the proceeds to help fund scholarships to deserving Anchors. Along with the \$100 donations made by clubs and individual Pilots, we were able to award \$9,000 in scholarships last year. With the current increase in the cost of tuition for our college students, our district scholarships are needed more than ever by our future leaders.

To encourage greater participation by the Clubs we have made changes to this year's fundraiser. We **are not** asking clubs to donate cards or cash for the prizes. \$3,000 in prizes will be awarded from the fundraising proceeds. We will be drawing for nine baskets or bags to help you celebrate the “Seasons of Service”. There will be 8 seasonal bags with \$250 in cash and one bag to celebrate all the seasons with \$1,000 in cash.

We are asking all clubs to please use the \$50 previously used for purchasing gift cards to instead purchase additional tickets for the fundraiser in your clubs' name. This could be a great opportunity for your club to win cash to use for one of your community projects.

**Each Pilot Club will be given 60 tickets. Tickets will sell for \$10 each or 4 for \$20 which is a half price savings. Tickets will be distributed to the Club Presidents at Fall Council held in Macon on Saturday, October 8, 2011. Drawing will be held at Georgia District Convention on Saturday, April 14, 2012 at the Atlanta Gwinnett Marriott in Duluth.**
