"Seasons of Service - Be Inspired"

Hello, Pilots!

As I write this message we are having a pretty good rainstorm and I'm grateful for it. I hope this will add to our deficit and we will all have a greener Spring. On a recent outing I noticed daffodils blooming! So, for us lucky folks here in the South, Spring is not far behind.

The month of February is the month of Love! What's not to love, hearts, flowers, chocolate, cards with love messages and pink/red anything! Maybe even an extra hug or two! I'm sure many of the clubs have events planned to celebrate this occasion with nursing homes and special needs facilities you support and with your own families.

Your DAC/DEC met for mid-year planning January 13-14 and finalized our plans for the remainder of the year and most importantly our upcoming District Convention and Region Workshops. Speaking of District Convention, has your club nominated a worthy Pilot for Governor-elect or a Lt. Governor position? The work of the District cannot fall to just one or two people. We are too big and we need several good Pilots to help our incoming Governor, Gail Sharber. So hurry, and submit your nominating letters to your nominee, Helen Winstead, Chair, Nominating Committee, PI and me very soon.

This is Georgia Pilot's Call to Convention: The hotel registration for DC is now operating at our website, pilotgeorgia.org. Click on the Events tab and you will see how easy it is to register. Room rates are \$96.00/night plus tax. We have also planned a fun Friday night, so wear your best Western/Cowgirl attire and we will have some serious fun!! Also attached to this Bulletin will be your Registration form for Convention and if your club would like to rent a table for MarketPlace, the form is attached as well. We will ONLY be able to offer MarketPlace on Saturday this year. Due to the hotel having booked the ballroom on Friday for another event, we will not have access to the pre-function area until Saturday morning. We apologize for the inconvenience, but could not be helped. We have lowered the table rental fee accordingly. I hope your clubs have also been selling your GPF/PIF raffle tickets. The money we make from this raffle helps support our Anchor scholarships each year and PIF causes.

I will be traveling to Freedoms Foundation with Anchors from John Milledge Academy on February 23rd and will also attend Anchor Convention at Legacy Lodge, Lake Lanier Islands on March 2-4. We encourage our Pilot clubs who sponsor Anchor clubs to support them financially to help them attend these two events. The friendships and leadership opportunities at either of these events are invaluable and help Anchors be successful.

Membership is always on my mind and I want to congratulate clubs who are initiating new members. I know that Winder just installed four new Pilots and may have one more shortly. Good job everyone! Also Presidents, make sure that both your club Secretary and Treasurer are submitting this information on the change in membership form and including a check with the correct amount due both PI and Georgia District. This is important and necessary paperwork that must be completed so we have correct numbers to report. All forms are on our Georgia website.

Happy Valentine's Day and happy Piloting to all!

Yours in Pilot,
Nancy Miller, Georgia District Governor

CHAPLAIN'S CORNER

Valentine Treasures
Joanna Fuchs

Valentine treasures are people who have often crossed your mind,

family, friends and others, too,
who in your life have shined
the warmth of love or a spark of light
that makes you remember them;
no matter how long since you've actually met,
each one is a luminous gem,
who gleams and glows in your memory,
bringing special pleasures,
and that's why this Valentine comes to you;
You're one of those sparkling treasures!

Each one of you is a "sparkling treasure" and Pilot is all the richer because of you!

Take time to reach out to those you care about and let them know that they are treasures to you!

If you would like to be included on the GA District prayer board, please send me your name and e-mail address. My address is jrakers@bellsouth.net.

Blessings always, *JoAnn Akers*

In preparation for the upcoming Memorial Service at District Convention here are the names of the precious Pilots that I have that have left us this Pilot year:

Emily Montgomery - Pilot Club of Perry
Bertie Mae Garrett - Pilot Club of Eastman
Augusta Jenkins - Pilot Club of Madison County
Sara Haygood - Pilot Club of Madison County
Lila Shaffer - Pilot Club of Macon
Peggy McMahan - PC of Royston Franklin Springs
Myrtle Dunahoo - Pilot Club of Winder
Betty Richardson - Pilot Club of Gainesville
Evelyn Horton Davis - Pilot Club of Americus
Christine McGlamry - Pilot Club of Americus
Jean Lyles - Pilot Club of Newnan
Ruth Franklin - Pilot Club of Washington County
Gladys Rice - Pilot Club of Washington County

Also, to be recognized: (these two Pilots died in May after our DC)

Emily Montgomery - Pilot Club of Perry
Pat Hesterly - Pilot Club of Conyers

Please let me know if there have been others who have left us during this Pilot year, so that they can be honored at District Convention.

Blessings always, JoAnn

FROM YOUR GEORGIA DISTRICT SECRETARY

June Henson

Just a reminder that we are nearing the end of our Pilot year and there are lots of forms and reports to be completed.

Congratulations to each club who has added new members during the year. I have received copies of new member forms, but I did not always receive a copy of "CHANGE OF MEMBERSHIP FORM" with them. If your club member numbers have changed since **October 2011**, I need for you to either mail a change form to me or send it by e-mail (henson319@charter.net). The latest figures I could get from headquarters was October, so if you could get these to me then I can get an updated report to Gov. Nancy by convention. I need these by March 1. Since you are "the keeper of your club's records", your president has award forms that she will be completing shortly and will need figures and other information from you and I am sure she would appreciate your help in completing these forms. We have had a good year in Georgia Pilot, so keep up the good work and hope to see you at District Convention.

FROM OUR PILOT INTERNATIONAL PRESIDENT

Good Afternoon,

I would like to share some very exciting news with you! At our Mid-Year meeting last week at Headquarters in Macon, we received notification that Pilot International has been approved as a 501(c)(3) non-profit entity. The committee and staff did an outstanding job - over many months - of compiling information and presenting it in the required form for the IRS's consideration.

This status presents many new fund raising opportunities for our clubs, districts and Pilot International. Peggy and Christine have contacted the attorney and CPA, and are in the process of setting up meetings to field questions from our Pilot membership. We realize that everyone will have questions, but we are not yet prepared to answer them all at this time.

IMPORTANT: Governors, please contact any Pilot Clubs in your district that have not yet signed or forwarded to PI Headquarters the **Group Authorization Form**. (See attached list.) This action must be taken immediately by clubs so they can be included in this most advantageous tax-exempt status. Clubs that have not yet reviewed and revised their Articles of Incorporation will need to do so immediately. *These are the two steps that must be done first.*

The Mission of Pilot is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.

I know you join me in my excitement about this newest development and the opportunities it presents for us. I will inform you as soon as it is feasible for PI staff to answer your questions concerning this new status.

In Pilot Friendship, Beverly Wilkes

GREETINGS FROM THE GEORGIA DISTRICT ECR

Can you tell it's almost Valentine's Day? Roses, perfume, and candy proclaim the month of the heart. But for Pilots, every month means reaching out to others besides our loved ones to show our heart for service... heart for those we serve....heart for brain health.

If you thought that, in all your years of service to Pilot, you had saved only one person's life...would all your efforts have been worth that one life? What if that life was your spouse's, your child's, your dearest friend's? Tens of thousands of Pilots throughout our 90 years have directly or indirectly saved hundreds of thousands of lives through BrainMinders, stroke seminars, bike safety fairs, car seat checks, and a myriad of local BRD projects. Now picture all those whose lives we've impacted gathered together in the Astrodome for the *Pilot Bowl*. There wouldn't be enough room for everyone, and the cheering for every Pilot's selfless dedication would rock the world!

Remember the mental image of that multitude of families whose futures have been changed because of your service and your heart. Rejoice in their standing ovation for you!

Take the opportunity at your upcoming District Convention to share the wonder of service and to tell the stories (and show the pictures) of the faces of those you have served. Pledge to make your District Convention a success...bring a friend and see how we can reach around the world in friendship and service.

"What you leave behind is not what is engraved in stone monuments but what is woven into the lives of others."
Pericles

FUNDRAISING IDEAS

Norma McKellar

As Pilots we are often asked, "Do you fly planes?" This month's fundraiser idea might be just the event to bring light to that question. It's a PLANE PULL! With some creative brainstorming and humor this event could be the eye opening newsmaker your club needs.

Most of the plane pulls I read about involved huge Boeing aircraft at very large airports. For many of our clubs I think we could consider our small regional airports. After contacting your airport they can give you names of local plane owners who might be willing to work with you. With your airport and plane owner 'on board' you'll be ready to begin the details of organizing and advertising. The pull can be described as a fun team competition to see which group or team can pull the plane the fastest. Decide on the size of the teams. Each team is to raise money for the event. At the event the teams line up with a rope attached to the plane, the start is signaled and the stopwatch starts. The teams pull the aircraft 12 feet and all is recorded.

Various prizes can be awarded. Some examples are the event winner (can be based on a point system combining money raised and pull time), most money raised, fastest pull, lightest and heaviest teams (by members' weights) and the most enthusiastic and/or showmanship.

If the airport and plane idea doesn't fit your club or location, you might try a pull involving a bus or a huge piece of farm equipment. There are many websites with lots of details covering forms, rules and other tips.

A PLANE PULL could be a fun and BIG way to put a spotlight on your club. Perhaps the following will help you begin to brainstorm about the idea-

"As a Pilot you may not fly an airplane, but, **you will** take off in a new and exciting direction, **you will** develop new and interesting friendships, **you will** network with other community leaders, **you will** improve your leadership skills, **you will** be lending your support to worthwhile causes, but most of all **you will** know that you have made a difference!"

FROM YOUR MEMBERSHIP CO-CHAIR

Pat Jarvis, Membership Co-Chair

As Pilots do we look at plans for each year, are they the same, different, updated? Do we have the same ideas each year? One definition of insanity is doing the same thing over and over, expecting different results. It is often easier, but is progress being made?

Reviewing membership goals is an important part of the process for growing our clubs. Many Pilot Clubs held Share Pilot or other membership increasing activities in the fall. We welcome our new members and congratulate our clubs for sharing the vision of Pilot with friends and family. But, is there anything that says we cannot have a membership goal for each month? You may not want to sponsor another Share Pilot, as such, but a plan whereby one of the Divisions or other groups within clubs are responsible for inviting new members for that month. Membership is the responsibility of each member rather than just the Membership Division.

The question occurs, why do we talk about increasing membership so much? Without members, who will provide the service to our community? Why do we provide service? It is because WE as PILOTS, CARE about meeting needs of OTHERS? Dr. Seuss, in the new movie, "The Lorax" quotes, "Unless someone like you cares a whole awful lot, nothing is going to get better. It's not." From this quote, unless we care about increasing our membership, service to our communities will become less and less as we have fewer and fewer hands to meet needs. Will you pledge to review your plans and have a membership plan for each month remaining this year?

Please share your success stories with me and with Pat Jarvis, Membership Co-Chair at tatumcindy@ymail.com and pgjarvis@bellsouth.net.

LAST CALL FOR DISTRICT NOMINATIONS

Helen Winstead, Chair

Remember! All clubs may submit a qualified nominee for Governor-Elect and/or Treasurer. Only clubs within a region may nominate persons for that region's Lt. Governor.

An acceptance is not complete until the Chair of the District Nominating Committee, Governor, ECR and PI Headquarters has received the nomination letter from the club, completed Qualification Form, Vision Statement, and letter of acceptance from the candidate to the club, postmarked by the due date of February 10, 2012. This is 60 days prior to the first day of District Convention.

Thank you, Georgia Pilots, for moving the District forward by nominating qualified Pilots! We are looking for a great Pilot year from July 1, 2012-June 30, 2013!

LEADERSHIP

Esther Foster, Leadership Coordinator

This article on Leadership Development was taken from Sherri Lynn Dunik's blog. Although it was written for Club Leadership Coordinators, I felt the article may be of interest to clubs since they are in the process of

nominating and electing new club officers for 2012-2013. Sherri ended her article by stating, "A Great Leader may be hiding within you." THINK ABOUT IT!

Leadership Development

**By Sherri Lynn Dunik
PI Leadership Coordinator**

Leadership development is much like learning a new craft or skill. Some people believe that great leaders are made, not born. Sure, some people are born with natural leadership talent, and with practice, drive, enthusiasm, and experience a true leader can be developed. Good leaders are continually working and studying to improve their natural skills. It takes a commitment to constantly improve in whatever endeavor you choose.

Leadership is defined as power to lead others; to guide them towards a vision. Development means to acquire more. So by definition Pilot International's Leadership Development Division's primary goal is to acquire more leaders within its membership ranks. Motivated and enthusiastic volunteers are essential to successful clubs and districts. Knowing how to inspire club members will help encourage participation in projects and programs.

One of the responsibilities of leadership is to seek out and develop the talent of those members who have never had a good opportunity to demonstrate their abilities as a leader. A leadership development program will enhance Pilots' personal growth and further develop their leadership skills, allowing them to better serve and benefit their communities, their families, and their business endeavors.

The club-level leadership development program was created to increase effectiveness in clubs by cultivating members' leadership skills. This program may particularly benefit club members who don't have the opportunity to regularly supervise others or attend employee-training programs. Although the position is optional within districts and clubs, I encourage your yearly training program to focus on leadership skills.

As Pilots, we bridge the gap between today's skills and tomorrow needs by developing leaders not only in our organization, but also in our communities. Your training should include: communication skills, leadership styles, leading and motivating volunteers, mentoring, time management, goal setting and accountability, strategic planning, ethics, building consensus, and teamwork.

Not everyone can be a leader; some people just don't have it, and don't *want* it. Skills and traits have been studied by sociologists and others for many years. Can most people acquire these skills? Yes, but it takes more than just reading an expert opinion or two. If you do not have the natural raw leadership talent (it has been written that only 3-5% are born with this talent), then you need to learn and practice traits of leadership if you are so inclined. A Great Leader may be hiding within you.

The Mission of Pilot is to serve by furthering Pilot International's humanitarian efforts through charitable, educational, and research programs in communities throughout the world.

PROJECTS

Angela Gillis, Projects Coordinator

February is the month of Love. How can we show our love to others in need? You guessed it...through our Pilot Projects!!

2012 is a brand new year and a great time to embrace your projects and spread joy and love to others by reaching out to our communities and special charities.

Project ideas:

Red Dress Month is February supporting the American Heart Association. Have a gathering (Spaghetti Supper or Card Party, Bingo etc.) and everyone wear **RED** – admission could be \$5.00 to benefit the American Heart Association.

Magazine & Book Collection - Members can bring magazines & books to a club meeting and they could be donated to your local Seniors Home.

Clubs should begin making plans to recognize **Brain Awareness Week – March 12-18**. Brain Awareness Week is an annual global campaign to increase public awareness of the importance, progress, and benefits of brain research. This would be a good time to do your BrainMinders project.

Club Highlight:

The Pilot Club of Sweetwater has been working on the BrainMinders project since we chartered in 2008 and raised enough money to buy the puppets. There was never any doubt that this was our project. We go into the after school programs, pre-k classes and any event with children. We have the mission to reach as many children as we can with our safety message. We give helmets when children don't have them and we always send the children away with a BrainMinders coloring book to have teachers and parents reinforce our message.

The joy on the children's faces as they watch Marvin "sequel" and climb the puppet theater is worth all the time and money we invest. Sometimes we have the same children viewing at different locations and they always remember the message and are so excited to see the puppets again. They want to tell about their bikes and helmets or how they buckle up in the car.

We reach hundreds of children each year and we plan to continue because we want to make a difference in our community.

Submitted by Patricia Whatley, Northwest Region LT Governor

Don't forget to send me a recap of your special project. Just summarize your project telling who benefited, how many, how many members participated, cost involved, etc.

GEORGIA PILOT FOUNDATION PILOT INTERNATIONAL FOUNDATION FUNDRAISERS

Both foundations are in need donations. You still have plenty of time for mini fundraisers each month at your meetings to raise the extra money for these tickets. If you have not received your tickets, please let Robin Perry know and she will mail the tickets.

Here's the bottom line. Last year we split \$9,700 between the two foundations, but we can do much better. I was looking back at my records of previous years and at District Convention 2004, we raised \$11,266 with a drawing for just GPF. We gave away two \$1,000 Visa cards. Surely we can raise that much for a combined GPF/PIF fundraiser.

\$3,000 in prizes will be awarded from the fundraising proceeds. We will be drawing for nine baskets or bags to help you celebrate the "Seasons of Service". There will be 8 seasonal bags with \$250 in cash and one bag to celebrate all the seasons with \$1,000 in cash.

The tickets will sell for \$10.00 each or 4 for \$20.00 which is a half price savings. The drawing will be held at Georgia District Convention on Saturday, April 14, 2012.

Also, don't forget your club donation of \$100 or more for GPF. I hope you added it to your budget for this year. All donations to GPF and for this drawing are to be sent to Robin Perry this year. She will also be handling any requests for this drawing. Her information is below.

Again, thanks for your continued support of our fundraisers and the Georgia Pilot Foundation.

GPF / PIF

“Seasons of Inspired Giving”

The Georgia District will be holding a joint fundraiser for the Georgia Pilot Foundation and Pilot International Foundation. Over \$9,700 was raised with last year's Angel Baskets with \$4,852 going to GPF and \$4,852 to PIF.

The funds donated by the Georgia District to the Pilot International Foundation allow all our local clubs to help with needs in our communities through PIF Grants and Scholarships as well as helping to insure that the Georgia District is a \$250 District with Pilot International.

The Georgia Pilot Foundation uses the proceeds to help fund scholarships to deserving Anchors. Along with the \$100 donations made by clubs and individual Pilots, we were able to award \$9,000 in scholarships last year. With the current increase in the cost of tuition for our college students, our district scholarships are needed more than ever by our future leaders.

To encourage greater participation by the Clubs we have made changes to this year's fundraiser. We **are not** asking clubs to donate cards or cash for the prizes. \$3,000 in prizes will be awarded from the fundraising proceeds. We will be drawing for nine baskets or bags to help you celebrate the “Seasons of Service”. There will be 8 seasonal bags with \$250 in cash and one bag to celebrate all the seasons with \$1,000 in cash.

We are asking all clubs to please use the \$50 previously used for purchasing gift cards to instead purchase additional tickets for the fundraiser in your clubs' name. This could be a great opportunity for your club to win cash to use for one of your community projects.

Each Pilot Club will be given 60 tickets. Tickets will sell for \$10 each or 4 for \$20 which is a half price savings. Tickets will be distributed to the Club Presidents at Fall Council held in Macon on Saturday, October 8, 2011. Drawing will be held at Georgia District Convention on Saturday, April 14, 2012 at the Atlanta Gwinnett Marriott in Duluth.
