### MESSAGE FROM OUR GOVERNOR

It is now the time of year when we begin to expect cooler temperatures and beautiful colors of the leaves **AND** Fall Council. October 4-5, 2019 will be upon us soon and I encourage as many Pilots as possible to make plans to attend. This is a great time to renew and make new friendships with Pilots throughout the Georgia District. We have an exciting Welcome Party planned for Friday night as well as informative workshops so we can gain and exchange ideas with other clubs. Separate information is attached to the bulletin regarding Fall Council.

projects I see to help the members of our communities in SO MANY ways, Georgia District Pilots are tireless and it really shows.

I look forward to hearing about and seeing pictures of your successes as we go along. I would like to see them myself SO invitations to your service projects and fundraisers are always welcome. I would like to make visits to as many clubs throughout the state as I can this year.

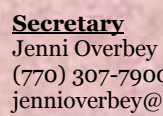

Remember to submit your updated club directory information to Kirsten as soon as possible so the 2019-2020 directories will be ready for you to pick up at Fall Council.

Continue to Walk Together in Friendship and Service.

*Governor Jayne*

### OUR ECR MESSAGE

Hello Georgia District! September is a beautiful month filled with the anticipation of Fall. Our Fall Workshops and Councils are in full swing! Please attend so you can "know more" this year.

It is a great opportunity to learn and grow as a Pilot. Information about our new Signature Project the Pilot International Helmet program will be shared. I hope this inspires your club to apply for the new Helmet Grant. First quarter applications are due September 15<sup>th</sup>. All of the information on this project including the Helmet Grant Application, can be found on the Pilot International website <https://www.pilotinternational.org/thehelmetpeople/>

Do you have a Pilot that is active within the club, promotes and supports Pilot International, and is faithful with meeting attendance and project assistance? Of course, you do! Clubs have until September 30<sup>th</sup> to honor these individuals by naming them their 2019-2020 Club Ambassador. Information on Club Ambassador submissions can

be found under the *club resources* tab. The donations for Club Ambassador help support the Pilot International Safe Harbor Fund.

Georgians mark your calendars for October 5<sup>th</sup> and start planning your Pilot Walk! The first Saturday in October has been designated as Pilot Walk Day. It is also a great way to participate in the "Pilot 1<sup>st</sup> Saturday" movement. Plan a community event or get your club together in your Pilot gear to take a stroll together. We would love to see your walks in action, so don't forget to take some pictures and share.

We are Pilot! For almost a century we have upheld the principles of friendship and service. YOU have chosen to be a Pilot! YOU uplift communities by Doing More, Caring More, and Being More. Pilots, YOU are making a difference and it is appreciated and celebrated!

**INSPIRATIONAL MESSAGE**

**From the pen of Susan Polis Schutz**

*"We all hear the same sounds. We look up and see the same sky. We cry the same tears. Our feelings and emotions are the same. All mothers are sisters. All fathers are brothers. All children are one.*

*Yet there is hate. There is violence. There is intolerance. There is confusion among people. We don't try hard enough to understand each other. We don't seem to realize that we all have the same basic needs, no matter who we are or what part of the world we come from.*

*We must understand the differences among us and celebrate the sameness. We must make the world a place where love and friendship dominate our hearts. Equality, respect, compassion and kindness must guide our actions. Only then will we all be able to live peacefully and lovingly live the life we each choose."*

*Take time to let those words and that message sink in - and remember that Friendship and Service are the cornerstones of Pilot and let each of us continue to Walk in the Way of Love.*

**GOVERNOR-ELECT MESSAGE**

September brings in the Fall season each year and it is at this time that we should be sure to get our plans made to attend Fall Council. I love rekindling Pilot friendships and making new Pilot connections at our fall gathering each year. We will have interesting breakout sessions and a wonderful Marketplace for our Pilots to buy and sell their wares and a great Welcome Party on Friday night. The date is October 4-5, 2019 at the Hilton Atlanta Airport. This will be our last year at this location so let's have a great turnout and show our Pilot shoes, as we Walk Together in Pilot Friendship and Service. Hope to see each of you there.

*Susan*

**RUN THE RACE FOR FUNDRAISING**

**ON YOUR MARK** - Jimmy Buffett said *"Go fast enough to get there, but slow enough to see"*.

Fundraising comes down to one important thing...

**RELATIONSHIPS.** It is how you work together as a team and how you publicize and inform your community, that determines your success.

**GET SET**-A successful fundraiser needs:

- A. A solid plan and time line to follow.
- B. Create a budget on how much you need to spend and on what.
- C. Make sure you have enough man, Oops! I mean WOMAN/MAN POWER to have a successful event.
- D. Divide and Create job assignments

It takes some advance planning and delegating of time and human resources to Step into a successful fundraiser.

On your flyers or however you chose to advertise your fundraiser, be specific about how you will spend your proceeds from this event: Alzheimer's, Anchor Club, play grounds, bike helmets, etc. Go the distance in explaining where the money goes.

Once you've laced up your event, make sure to properly **Thank** those who helped make the event possible. Always put your **Heart** and **Sole** into it.

**Now Go** and Run the Race For Fundraising!

**Please bring a 5.00 gift card for bingo prizes for the Friday Night Welcome Party.**

**PARLIAMENTARIAN MESSAGE**

A new Pilot year has begun, and we have developed new plans of work for our new year of 2019-2020. As you develop new plans, did you consider a refresher in Parliamentary Procedure? Many will ask, "Why do we need this for our club—we are all friends and so 'rules' really are of no need." This is partly true, we are all friends and may not have as much "formality" as larger meetings, such as conventions. But, may it be suggested that in order to maintain that good friendship and conduct business in a way that leads to no questions, perhaps parliamentary procedure rules should be followed.

This is a refresher list for us to consider following within our clubs in order that we keep our meetings within a time frame as well as orderly.

1. Parliamentary procedure exists to facilitate the transaction of business and to promote cooperation and harmony.
2. All members have equal rights, privileges, and obligations.
  - The majority has the right to decide.
  - The minority has rights which must be protected
3. A quorum must be present for the group to act.
4. Full and free discussion of every motion considered at any given time.
5. Only one question at a time can be considered is a basic right.
6. Members have the right to know at all times what the immediately pending question is, and to have it restated before a vote is taken.
7. No member can speak until recognized by the chair.
8. No one can speak a second time on the same question as long as another wants to speak a first time.
9. The chair should be strictly impartial.

What a wonderful group of ambassadors visited Elberton from our Sister City, Mure Cho, Japan, with PIP/PG Pat Jarvis

**GIVING PATHWAY TO THE FUTURE**

Just as football season is "Kicking Off", Georgia Pilot Foundation is "Kicking Off" its drive to raise enough money to give lots of scholarships to deserving high school seniors at Spring Convention. We have scholarships for Anchors as well as scholarships for Non-Anchor Volunteers. They are each \$1500 and will be given to exceptional students sponsored by a Pilot Club whether an Anchor sponsoring club or not.

PLEASE NOTE -This year there is a new deadline for the Anchor Scholarship Application. It is **January 24th**. The Lynda Goodwin Volunteer Scholarship deadline is still February 1st. This change was made so that the Anchor Scholarships can be awarded at the Anchor Convention the end of February. The new scholarship forms can be found on the GA Pilot website.

In order to cover the cost of the scholarships as well as expenses for fund raising, our goal is \$15,000. You can help to jump-start this campaign toward our goal by sending your club's \$100 donation now to Georgia Treasurer, Cathy Moorehead, along with a GPF donation form indicating what the money is for. [GPF money does not go to Pilot Headquarters]

At Fall Council the tickets will be available for each club to sell for the cash drawings at District Convention plus three of my cakes will be given away to the purchaser of a lucky ticket.

Please have a designated person to pick up the spring raffle tickets for your club.

Hope to see you all at Fall Council Walking Together in Friendship and Service!

DAC meets at PI Headquarters in Macon, GA to assist Anchors with planning their 2020 Anchor Convention at Great Wolf Lodge in Lagrange, GA. — Treasurer Cathy Moorehead, Governor Jayne, Governor-Elect Susan and Secretary Jenni

**Through monetary donations to the Georgia District there will be TWO \$100.00 drawings at Fall Council. The names for the drawings will be chosen from the names on the registration forms AND you have to stay Friday night at the hotel to be eligible**

**RUNNING TO MEET YOUR CARING GOALS THRU PROJECTS**

The plans of work for the new years are completed. Now you are starting to do your projects. It doesn't matter if your club is large or small your projects are the heartbeat of the club. Your projects let others know who and what you are and what you stand for.

Use your projects not only to help your community but to help your club grow. Projects help draw people to your club. Invite prospective members to help with projects. When you have completed your project, write about in the local paper, if possible, and in social media. Also, send an article/picture to Kirsten and to PI headquarters for possible use in our Governor's Bulletin and/or in the Pilot Log. Remember any hours a club member works on any project either preparing for or doing the project can be counted as service hours.

As the projects coordinator for this year my goal is to compile a listing of some of the projects each club in the districts does. This will be put on the district website when complete. I can only do this with your help. Please send 3 - 5 projects your club does to [bworthen54@gmail.com](mailto:bworthen54@gmail.com).
