# "Anchors Aweigh"

**Anchor President**

What's up Anchors! Our convention theme this year is "80s Neon Fun," and I hope you're all getting as excited as we are for a totally rad weekend! We have many enjoyable and exciting activities planned for all of our Anchors to participate in. A delicious menu has been thoroughly planned for the weekend. We also will have amazing speakers and workshops. Remember that convention will be at Great Wolf Lodge Resort in Lagrange. Great Wolf does have an indoor waterpark for all of our Anchors to enjoy, so be sure to bring appropriate clothing to enjoy the water activities. As I said before, I hope you're all getting pumped for an awesome weekend. Let the countdown begin!

We are **Anchor Club International**.  
Established in Macon, GA in 1952, Anchor Clubs are now 200+ strong with over 6,000 youth members in the United States, The Bahamas and Japan.

**Altruism. Noble Purpose. Citizenship. Honor. Open-Mindedness. Responsibility.**

Through dedicated volunteer service programs and leadership-building opportunities, Anchor Clubs strive to instill these six specific, valuable qualities and characteristics in today's young people, enabling them to "Be More" every day.

**GA District Governor**

GO DAWGS!! Was that not a fantastic game played by a fantastic team! One of the players made the comment "there is no i in team, and that is what we are. We play together - we know each other's strengths and weakness and we play together." That is what Pilot and Anchors do. They join forces to see how they as a team can Make A Difference.

At Great Wolf Lodge last year, I challenged each of the Anchors and Anchor Clubs to make a difference in their club, their school, and their community the coming year. This year the Anchor and club will be given a monetary award for whom you think made a difference!

Speaking of awards -- your Anchor Convention is just around the corner. What a fun time and a fun place -- Great Wolf Lodge! I hope many of you are planning to attend. Conventions are a time to renew friendships as well as make new ones. It is a time to discuss ideas for new projects and fundraisers as well as hash over ones tried. It is a time to salute those clubs who have created scrapbooks, applied for the different awards, and scholarships. I can't wait to see what all you have accomplished this year!

Life is like a babbling brook heading toward the river in a straight shot with a force that carves through the mountain never knowing its impact. You never know when you have made a difference in another's life be from a simple smile to a scholarship with a new lease on life. Make A Difference by being different showing others you care

**ANCHOR CREED**

Realizing that in unity there is strength, we, as members of the Anchor Club, are resolved:

To work together in friendship and loyalty; to render service to our home, school and community, knowing this course will take us over a sea of happiness; to steer our ship of life by the bright stars of Hope and Faith; to follow words of guidance from parents, teachers, and Pilot friends, for those, as gleams from the Lighthouse of Truth, are of wisdom, to set full sail through channels of achievement which lead us to the port of success; and, when our ship of life is tossed by the tempests of misunderstanding and the angry winds of injustice we will cast our Anchor of courage, wisdom, and trust to hold us fast.
